Vol. VIII

A Friend is . . .

As we progress through the six years at Shepherd Hill, friends become a major part of our life. Friends are people we come to depend upon during good times and bad. Whether walking down a hallway or cheering at a football game, we realize how much we need friends. Friends have helped us become what we are.

We students in the Dudley-Charlton School District are indeed fortunate. We have learned an important lesson in growing up — that is, a friend doesn't have to live next door. As our circle of friends continues to grow we will remember those first close friendships made in our years at Shepherd Hill.

Now as the seniors leave, taking fond memories of close friendships with them, we would in this 1981 edition of 'Country Roads' like to express our belief in the lasting impression and important values gained through friendships.

We, the class of 1981, are proud to dedicate this edition of 'Country Roads' to a teacher who has been an inspiration and friend to all.

During our six years at Shepherd Hill, she has always set an example for us to follow. She has given of herself without reservation, whether in the classroom or in the stands at a basketball game.

For her constant words of encouragement, for having our best interests in mind, and for having touched us in a special way, we dedicate this edition to Mrs. Barbara Bartolomei.

Friends are wisdom, love
and understanding.
They are the firm voice,

In time of trouble . . .
They are the friendships,

Its guide and guard,

And its ideals.
A friend is a speaker

According to your needs,
The finest of pals

ENGLISH

Every school has an English department, but the one at Shepherd Hill has to be one of the best around. The faculty is top-notch, and no student leaves the school without a wide range of knowledge in the subject of English. One rarely hears of a student graduating from this school who cannot read and write capably. This is due partly to the perseverance of the student, but credit must be given to the excellent staff.

Coach's Commentary

This year's frosh team posted a 2-5-2 record. A lack of offensive punch limited their attack. Considering many players were novices in organized ball, the coaching staff observed a definite increase in skill during the season. Continued growth and experience will enable the boys to help the varsity in the very near future.

Coach's Commentary

This years varsity football team completed the season with a 5-5 record while facing the toughest schedule of any Shepherd Hill Football team. This team was certainly competitive in every game played and started a trend against stronger teams that will certainly enable Shepherd Hill Football to continue to grow into one of the finest programs in Central Massachusetts.

This team was certainly never intimidated by their foes due in large part to the seniors and the outstanding leadership of our four very capable captains: Paul Vendetti, Ron Daoust, Charlie Brooks and Rick Spahl. The seniors enjoyed a very admirable 22-8 record during their varsity career.

Coach's Commentary

The 1980 Ram soccer team finished their season with a 6-7-3 record. Several of the losses were of the one goal variety and could just as easily have been ties or wins. This team showed a lot of character. After a 1-5 start they came on strong the second half with a 5-2-3 record. The scoring leaders were Tim Burns (13 goals) and Dan Howard (10 goals). Tim was selected to the Central Mass all-star team and Dan was selected Border Conference all-star in addition to being the team's M.V.P.

Coach's Commentary

These young Ram athletes had plenty to be proud of this season. While posting a fine 7-4-2 record, they continue to serve notice on area schools that Shepherd Hill soccer is alive and growing. The team was led by such promising players as Todd Sansoucie, Tim Tierney, Brian Wilbur and Steve Moran. This was one of our most highly skilled teams ever. The future of Ram soccer is exciting.

COACH'S COMMENTARY

The Girls Cross Country team had a season that far exceeded last year's performance and showed great promise for the future. With their 11-1 record they also earned their 2nd straight Border Conference Title, a 2nd place finish in the Div. II Nashoba Invitational, and a 7th place finish overall in the Districts. Leaving the team are senior co-captains Michelle Payant and Theresa Pelletier, along with seniors Sue Bartel and Sherry Salonis. However, there are 23 returning runners is grades 10 through 7. A strong team seems insured next year.

Coach's Commentary

The 1980 team ended the season with a very successful 12-3-4 record. Team play, enthusiasm, and determination were contributing factors in the team's success. Although the team was very young (only on senior, Monica Baker), we were able to place fou players on the Border Conference all-star team an two players on the Central Mass all-star team. Th highlight of the season was going all the way to th District III semi-finals for the second year in a row With this experience in hand we hope to be more tha just contenders next year.

The Shepherd Hill J.V. team has enjoyed one of its finest seasons ever, . , . . finishing with a 16-1 record. A string of 13 straight victories was a first for a J.V. basketball team surpassing their old mark of nine, accomplished a few years ago.

During their streak they posted wins over archrival Bartlett and a pair of wins over a talented and potent Tantasqua team. In the first win over Tantasqua both teams went in undefeated and it took an overtime to decide the winner.

In another milestone the victory over North Brookfield gave Mr. Winkiewicz his 100th win as a J.V. coach.

Coach's Commentary
The Girls Varsity Basketball team started the Border Conference off with three straight victories over Tantasqua, arch-rival Bartlett, and Quabaug but ran into some tough games at the hands of North Brookfield, Southbridge and Auburn. Because the young ram team has played a tough schedule with the likes of South High Worcester, Worcester North, Milford and the Border Conference they have gained the experience and toughness that will make them winners.

This has been one of the finest girls J.V. teams in the history of the school. It was a team characterized by solid defense, enthusiasm and offense that averaged better than 30 pts. per game. The team also developed some talent that should contribute significantly to the varsity program in coming seasons.

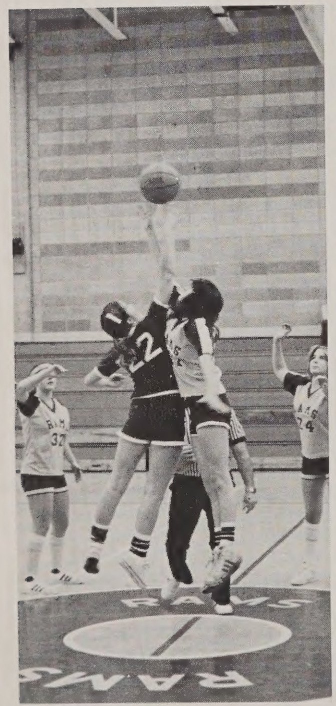
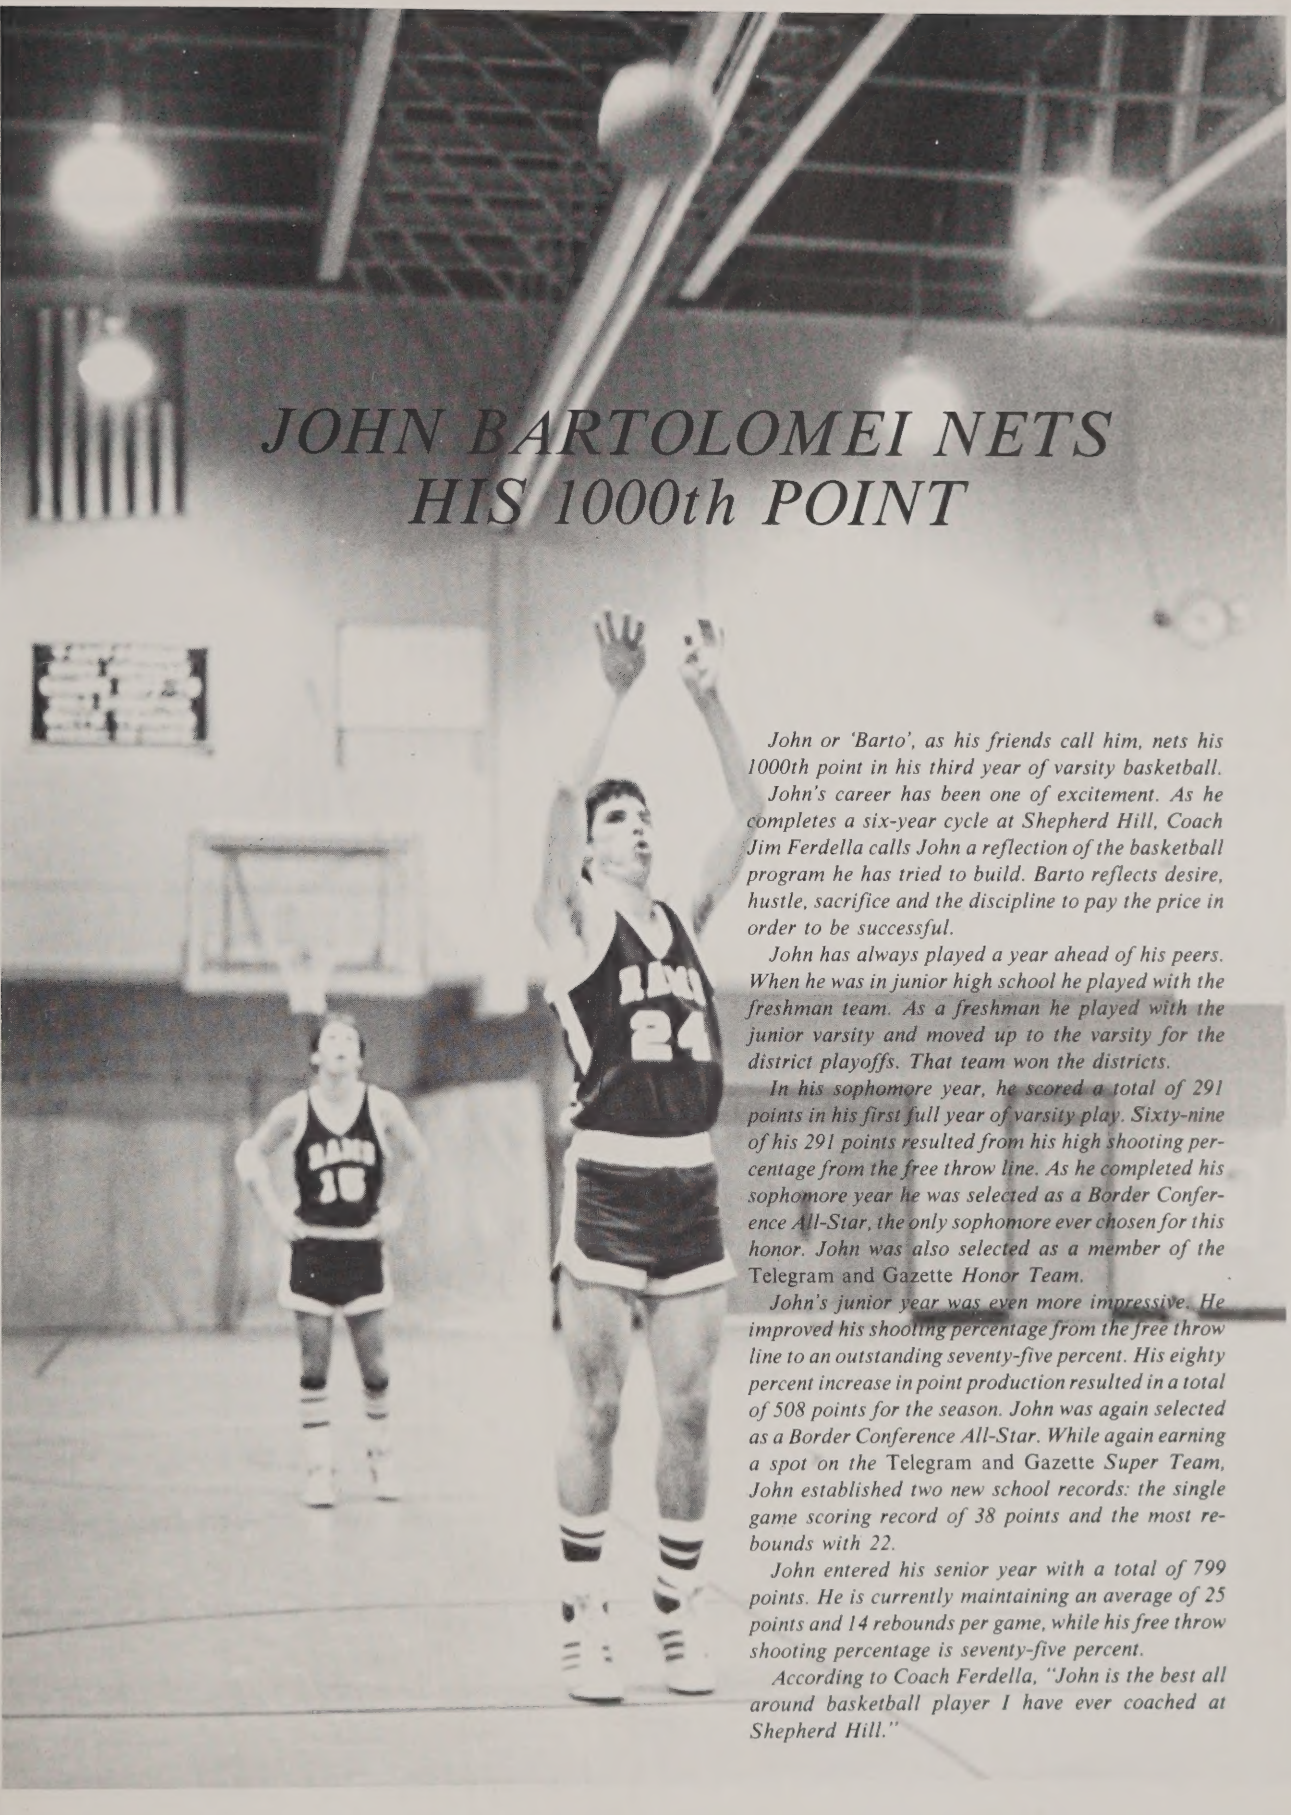
FUTURE SUPERSTARS





JOHN BARTOLOMEI NETS HIS 1000th POINT

John or 'Barto', as his friends call him, nets his 1000th point in his third year of varsity basketball.

John's career has been one of excitement. As he completes a six-year cycle at Shepherd Hill, Coach Jim Ferdella calls John a reflection of the basketball program he has tried to build. Barto reflects desire, hustle, sacrifice and the discipline to pay the price in order to be successful.

John has always played a year ahead of his peers. When he was in junior high school he played with the freshman team. As a freshman he played with the junior varsity and moved up to the varsity for the district playoffs. That team won the districts.

In his sophomore year, he scored a total of 291 points in his first full year of varsity play. Sixty-nine of his 291 points resulted from his high shooting percentage from the free throw line. As he completed his sophomore year he was selected as a Border Conference All-Star, the only sophomore ever chosen for this honor. John was also selected as a member of the Telegram and Gazette *Honor Team.*

John's junior year was even more impressive. He improved his shooting percentage from the free throw line to an outstanding seventy-five percent. His eighty percent increase in point production resulted in a total of 508 points for the season. John was again selected as a Border Conference All-Star. While again earning a spot on the Telegram and Gazette *Super Team, John established two new school records: the single game scoring record of 38 points and the most rebounds with 22.*

John entered his senior year with a total of 799 points. He is currently maintaining an average of 25 points and 14 rebounds per game, while his free throw shooting percentage is seventy-five percent.

According to Coach Ferdella, "John is the best all around basketball player I have ever coached at Shepherd Hill."

Coach's Commentary

The 1980 Boys Varsity cross country team experienced a season of growth in performance, discipline, and respect in the conference. Nine new runners joined the team this year and displayed how fast a team can grow if goals are set high and the runners are dedicated. Co-captains, Joe Kwiatokowski and Jim Hutchinson provided excellent leadership this season both on the practice field and in competiton. Accomplishments of the 1980 team were improvement in the Border Conference standings, a sixth place finish by Jim Hutchinson in Class B Div. at Wachusett Invitationals, and an entire team entry into the State semi-final competition in Gardner, MA. This was the first time on our school's history that a full varsity team has competed in the State semi-finals in cross country. The team will miss senior Co-capt Joe Kwiatkowski and senior, Al Violette.

EDITORS NOTES
Our last year at Shepherd Hill has all too quickly passed. Many events have touched our lives: the election of Mr. Reagan launched us on a new beginning, the hostages finally came home from Iran, and '2 ½' became law. However important these events are to us today, they are much less significant when compared to the memories and friendships we made at Shepherd Hill.

In this edition of "Country Roads" the staff, along with much input from the high school community, has attempted to capture the bond of friendship that exists within the Shepherd Hill family. We sincerely hope that the friendships which you acquired here last you a lifetime. As George Eliot once wrote, "Friendship is the inexpressible comfort of feeling safe with a person having neither to weigh thoughts nor measure words."

In closing, we would like to thank, Mr. Patenaude, our advisor and friend, for all the help he has given us, and for putting up with all the mistakes which we have made.

Lynn Mikolajczak

Patty Meciak

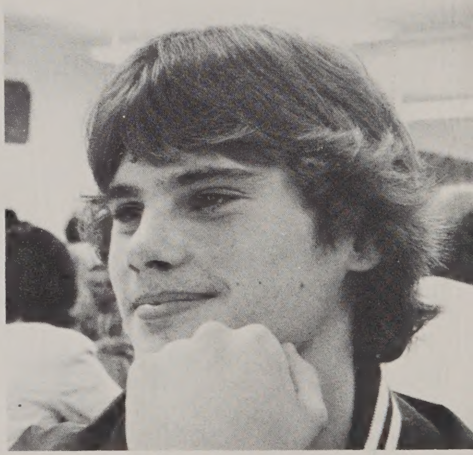
Friends multiply happiness

A mid-game snack.

"Hey! Look who's coming!!!"

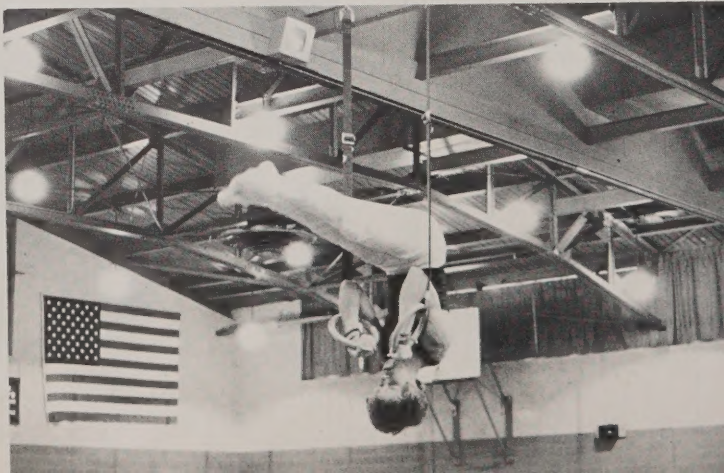
Macho Men?

David, Smile!



Friends till the end.

Who's in distress?



and divide sorrow.

Happiness is a friend.

OK girls, back to work.

Country Roads, take me home.

Which way is up?

Judy, pay attention to the game.
